Concept II:

The General Service Conference of A.A. has become, for nearly every practical purpose, the active voice and the effective conscience of our whole Society in its world affairs.

- Do we have an understanding of the history of the General Service Conference (the "Conference")?
- What is a Conference Advisory Action? Does our home group's G.S.R., D.C.M., area delegate report back to the group on the highlights of the Conference and Conference Advisory Actions?
- Is our group meeting its wider Seventh Tradition responsibilities?

From the Grapevine

"Unity seldom means that we all agree on everything. Nor is unity served by setting aside our concerns and conforming to the majority opinion (or the vocal minority) ... Unity is best achieved by a full hearing of all points of view ... time for all of those involved to step back from emotional responses ... as well as careful consideration and prayer for that which will best serve the group or AA as a whole."
