Concept III:

To insure effective leadership, we should endow each element of A.A. —the Conference, the General Service Board and its service corporations, staffs, committees, and executives—with a traditional “Right of Decision.” • Do we understand what is meant by the “Right of Decision”? Do we grant it at all levels of service or do we “instruct”? • Do we trust our trusted servants — G.S.R., D.C.M., area delegate, the Conference itself
