Concept VIII:

The trustees are the principal planners and administrators of overall policy and finance. They have custodial oversight of the separately incorporated and constantly active services, exercising this through their ability to elect all the directors of these entities.

World Services, Inc., the A.A. Grapevine) and the General Service Board?

- How can the business term “custodial oversight” apply to the trustees’ relationship to the two corporate service entities?

- Does my home group subscribe to G.S.O.’s bimonthly newsletter Box 4-5-9? A.A.

Grapevine? Do I?
