From the Grapevine

“No generation is a carbon copy of the previous one ... Young people in the meetings today are in many respects luckier: They have learned more in less time. If they seem to dwell at length on how they are feeling at the moment, it doesn't mean they are less dedicated to stopping drinking one day at a time and practicing the Steps of the program. Nor does less shame, brought about by less stigma, mean less dedication.”

“...And the Wisdom to Know the Difference,”
New York, New York, June 1994, Voices of Long-Term Sobriety

Concept IX:

Good service leadership at all levels is indispensable for our future functioning and safety. Primary world service leadership, once exercised by the founders, must necessarily be assumed by the trustees.

- Do we discuss how we can best strengthen the composition and leadership of our future trusted servants?

- Do we recognize the need for group officers?

What is our criteria for election?

Do we sometimes give a position to someone “because it would be good for them”?

- Do I set a positive leadership example?
