From the Grapevine

“Ego was being replaced with self-respect ... resentment and hatred were being replaced with tolerance and understanding ... fear was being replaced with trust ... loneliness and self-pity were being replaced with gratitude and love -- all because I was working the program to the best of my ability and wasn't drinking.”

“Above All, an Alcoholic,” Toledo, Ohio, September 1982, In Our Own Words: Stories of Young AAs in Recovery

Concept X:

Every service responsibility should be matched by an equal service authority, with the scope of such authority well defined.

- Do we understand “authority” and “responsibility” as they relate to group conscience decisions by G.S.R.s, D.C.M.s and our area delegates?
- Why is delegation of “authority” so important to the overall effectiveness of A.A.?
- Do we use this concept to define the scope of “authority”?
