## From the Grapevine

“One day, after sitting alone, soaked in tears and feeling empty, worthless, and crippled in the smallest task, I reached out and gave my phone number to someone else – they were hurting, too. In that simplest of acts, my world changed.”

*“Life, Not Regrets,” Salt Lake City, Utah, July 2007, Spiritual Awakenings*

## Concept XI:

*The trustees should always have the best possible committees, corporate service directors, executives, staffs, and consultants. Composition, qualifications, induction procedures, and rights and duties will always be matters of serious concern.*

- Do we understand how the roles of nontrustee directors and nontrustee appointed committee members help serve and strengthen the committee system?

- How do we encourage our special paid workers to exercise their traditional “Right of Participation”?

- Do we practice rotation in all our service positions?
